Guidelines for online presentation in MS Teams (room presentations will also share via MS Teams).

- [How to join a Teams meeting](#)
If you join on the web, you can use either Microsoft Edge, or Google Chrome or Firefox. When first joining the meeting, please choose **audio off** to avoid disrupting. Please mute your microphone always when you are not speaking.
- [How to use video in Microsoft Teams](#)
Presenters are kindly asked to keep their **cameras on** when speaking and if possible during the whole session in which they participate.
- [How to show your presentation during a meeting](#)
- Q&A
During the presentations we may allow short clarifying questions but you need to use the **raise your hand** option. Otherwise we encourage all the participants to write down their immediate comments and/or questions to the [chat](#).

After the presentation, the discussion will be coordinated by the chair of the session. Those who would like to ask a question or provide a comment need to use **raise your hand** option to let the chair know that they have a question. The chair will then ask those who raised hand to ask their question.
